A sense of warmth

In the midst of the office renaissance people require a sense of comfort and inspiring spaces where they feel an emotional connection. Frameless Screen creates a warm and welcoming atmosphere bringing smooth visual boundaries within workstations. The soft lines and the harmonious blend of finishes increase comfort and generates a sense of space at your workstation.

85%

Highly dissatisfied workers who can't concentrate easily.

Wellbeing Workplace study – Steelcase 2014

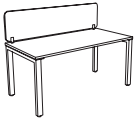

GET PERSONAL

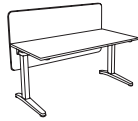

Equipped with tackable and magnetic function, the practical accessory rail allows easy hooking of 1+1 Organisational tools, keeping important documents, personal items and objects tidy and within hands reach. The marker board facilitates quick customised, personal tasking.
