

POTRERO415 TABLES

Coalesse Design Group

coalesse®

A better way to work together.

Meetings have been waiting for this. A refreshing antidote to the conventional conference-room table. Inviting and familiar, Potrero415 supports all the ways you work: inside or outside a meeting room, sitting or standing, for long sessions or short bursts of creative energy. Designed for creative collaborators, Potrero415 is an accessible gathering point, a centerpiece at the vanguard of a new standard of craft in today's office.

———— Create inspiring settings – from open-plan casual to conference-room formal – with a wide variety of materials, shapes, and sizes.

———— The patented Potrero415 framework and leg system supports tops that can span impressive lengths. Wire management is quietly accommodated with optional tabletop power outlets, an under-table central trough, and hollow legs that make cables disappear.

Product Features

- A. Adjustable glides.** Height-adjustment leg rings turn a commonly hidden adjustable glide into a celebrated detail that expresses modern craft.
- B. Solid wood legs.** Solid oak legs provide warm, residential style. Leg rings add a personalizable design detail.
- C. Bottom tray.** Conceals all cords and cables and creates a clean aesthetic on the underside of the table.
- D. Wire management.** Cables and infeed are seamlessly managed through the leg.
- E. Power Drop.** Provides robust high capacity vertical cable management.
- F. Adaptive Power.** Technology is built in, quietly. Optional modules support connectivity while cables disappear through hollow legs to the floor.
